1. Locate the Overdrive app in the app store and then download it to your device
2. Click Get Books
3. Click Add a Website
4. Enter in your hometown zip code
5. Locate your library in the list provided
6. Click the Library Connection, Inc button (this doesn't look like a button, but it is)
7. Click Login in the upper right hand corner of the screen
8. Select your library from the dropdown menu
9. Enter your entire library card number
10. Browse for e-books
11. Choose Add to Cart or Place Hold on desired items. Please make sure to NOT select the Kindle e-book unless you intend on using it with a Kindle device.
12. Confirm checkout
13. Download – this is where you will be prompted to enter your Adobe ID and password
14. The item will then appear in your library. There will be an icon telling you how long you have until the book erases from your account.
