Teen Volunteer Application

Dear Applicant,

Thank you for your interest in volunteering at the Farmington Libraries!

Teens volunteer at the library during the summer and during the school year. Some volunteers work for a short stint, to complete required community service or to help with a special project, and some volunteers work a regular schedule, coming in once a week for an extended time. Volunteers help with the day to day business of the library (neatening shelves, labeling books, assisting with programs, etc.) as well as contribute their special skills on an as-needed basis.

This summer, we are still unable to have volunteers help out physically in the library. Instead, we will be meeting virtually on Zoom every two weeks this summer, to work on a variety of projects. You will log your volunteer hours online, and if you come to every meeting this summer, you will have the chance to earn over 10 hours of community service.

Please use our online events calendar to register for each volunteer meeting that you are interested in. You are welcome to join us for one week, or all five! You only need to submit the following volunteer application once.

Teen volunteers play an important role at the library; we are excited to work with you! Please fill out the following application and emergency contact form and email it to adowning@farmingtonlibraries.org, or drop it off at the Information Desk on the second floor of the library during open hours.

Sincerely,

Anna Downing
